Dear James Hurst Elementary School families,

This notice is to inform you of an incident that took place this morning. A parent entered the school with her child to walk him to class. The parent, her child, and another student were involved in an altercation. Three other students were also affected by this incident. All parents of children involved have been contacted. Injuries were minor.

The Portsmouth, Police Department was called and an officer quickly responded. After an investigation, the parent was removed from the school by police.

The safety of our students is very important to James Hurst Elementary teachers, staff, and administration.

If you have any questions or concerns, please do not hesitate to give me a call at (757)558-2811.

Sincerely,

A handwritten signature in cursive script that reads "Evelyn L. Whitley".
